PRESS RELEASE

June 26, 2019

For Immediate Release:

Reimagine Creek Park Design Contest Update
We have a winner!

San Anselmo, CA - - On Tuesday, June 25, 2019 the San Anselmo Town Council awarded the winning concept/team designation for the Reimagine Creek Park Design Contest to **RHAA – Mill Valley**.

After the four finalist teams made their presentations at the May 28, 2019 Town Council meeting, the Reimagine Creek Park Community Advisory Committee (CAC) made their recommendation to the Town Council for the winning team/design. With a majority vote the Town Council approved the recommendation, which wraps-up the Reimagine Creek Park Design Contest. Congratulations to the RHAA!

In addition to approving the winning team/concept of the Reimagine Creek Park Design Competition, the Town Council also authorized the Town Manager, pending successful private fundraising, to enter into a contract with the chosen firm for design services not to exceed \$150,000. They also voted to direct the Town Manager to convene a Community Advisory Committee (CAC) to help oversee the public process portion of the design development and conduct fundraising for the project.

Next steps include fundraising to cover both the design construction costs for this project and making plans to begin the design process.

More information about the Reimagine Creek Park project can be found on the website: <http://reimaginecreekpark.com/>
